Visual note: the termination clause carries the highest penalty exposure. Ask: Which clause creates the highest termination notice risk and what page supports it?

Suggested questions: Who are the parties? What obligations have deadlines? Which clause creates termination notice risk?

Key Clauses and Obligations

Page 2: clause extraction and legal metadata

Clause 4. Payment Terms
Client shall pay undisputed invoices within 15 days of receipt. Late payment bears interest at 1.5% per month after a 7 day cure notice.

Clause 7. Maintenance Obligation
Service Provider shall restore critical pump telemetry within 48 hours after written notice. Failure creates a service credit of INR 25,000 per missed event.

Clause 9. Data Privacy
Both parties must protect household water usage data and notify the other party within 72 hours of discovering a breach.

Clause 12. Termination
Client may terminate for convenience with 60 days prior written notice. Termination without notice triggers an early termination fee of INR 9 lakh.
