Aiwana Multimodal Test Packet

Project	Suryagram Learning Centre modernization pilot
Client	NovaTech Education Trust
Location	Suryagram village, Rajasthan
Budget	INR 42,00,000 approved; INR 39,20,000 spent
Deadline	31 March 2026
Risk	Water tank overflow delayed laboratory readiness by 9 days

Ground truth summary

The pilot improved average monthly student attendance from 71 percent in July 2025 to 88 percent in December 2025. The strongest improvement came after the digital science lab opened on 15 October 2025.

The recommended next action is to fund a solar backup kit before the March 2026 deadline because outages remain the highest operational risk.

Operations Table And Chart

Use this page to test table extraction, chart reading, and numeric reasoning | Page 2 of 4

Month	Attendance %	Water L/day	Power uptime %	Notes
Jul 2025	71	510	82	Baseline
Aug 2025	74	770	79	Monsoon overflow
Oct 2025	83	690	91	Science lab opened
Dec 2025	88	735	94	Best attendance

Attendance trend chart

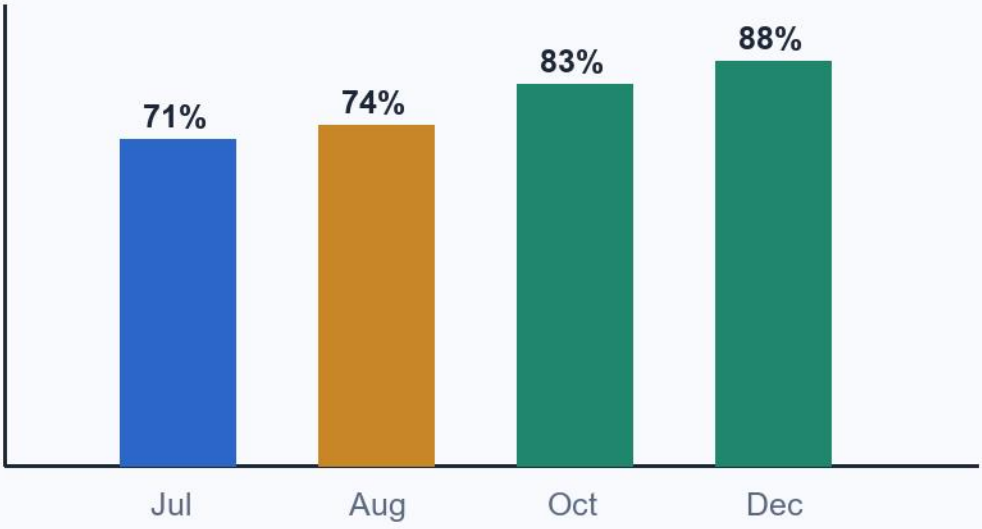

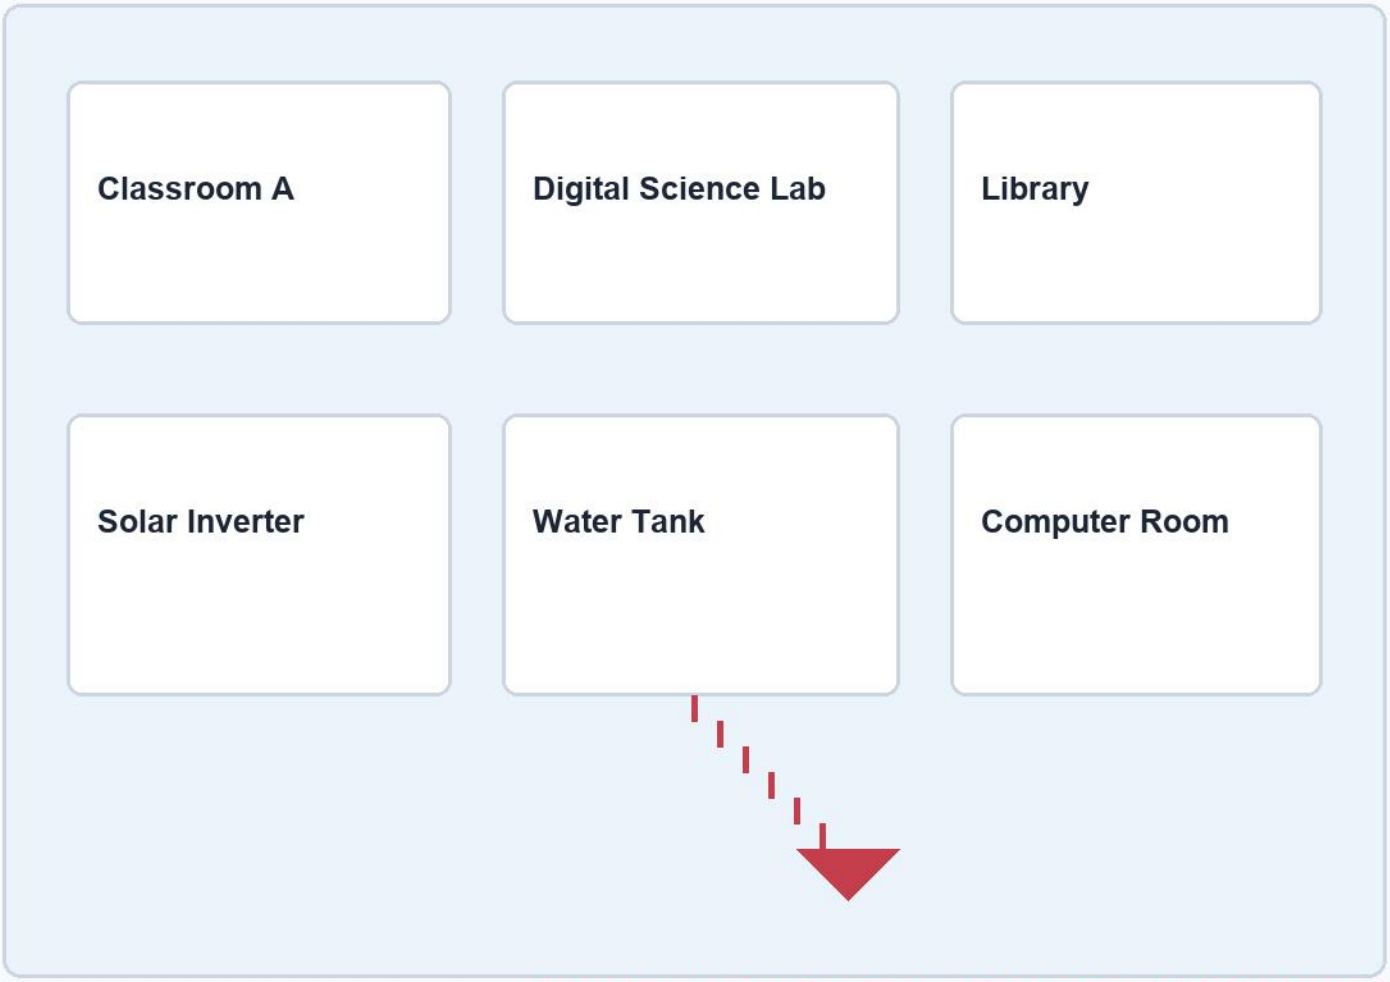

Chart insight: December has the highest attendance at 88%. August has the highest water availability at 770 L/day but lower power uptime.

Visual note: overflow path points from Water Tank toward Com

Image facts

The water tank is positioned between the solar inverter and the computer room. The red arrow marks the overflow path that caused the 9-day delay.

The digital science lab is adjacent to Classroom A and opened on 15 October 2025.

Scanned Clause Page

Clause 4.2 Delivery Obligation

NovaTech Education Trust must complete classroom wiring, lab furniture installation, and teacher orientation before 31 March 2026.

Clause 6.1 Payment Holdback

A 12 percent payment holdback applies until the solar backup kit is installed and inspected.

Clause 7.4 Termination Trigger

If verified power uptime remains below 85 percent for two consecutive months, the district sponsor may terminate the maintenance addendum.

Clause 8.3 Evidence Requirement

Any claim about crop yield, medical outcomes, or exam scores is outside this document and must not be answered without another source.
